NOTES FROM THE PRESIDENT

Zoom....Zoom!!.....What was that? That, my friends, is summer flying by. In my way of thinking, summer is only June, July, and August. (I don't care that the calendar indicates the last day of summer is Sept. 22nd.) But, that doesn't mean our golfing season is about over. For some of you who haven't made it out for Tuesday play or the monthly "tournament" play, there is still time for that. The numbers for tournament play has been dwindling the last few years and it would be great to see us back to those having at least 30 players or more. And speaking of tournaments, there is a good one coming up in August that includes the determination of our Club Champions (Gross & Net), and celebrating the 100th Anniversary of KWGA. So...just do it! Sign up for it and come have fun. See you there!! *Peggy*

PATIENCE, MY DEAR, PATIENCE

Patience will reward you. Jason Duffner says he knows that for sure. Because "To succeed in golf and in life, you need to work on acceptance and patience. There's a fine line between good shots and bad shots, and patience teaches you to accept the bad swings. Life in general is the same way".

HANDICAP NEWS

Please let me know if you change your email address so I can make the change in the GHIN database. Otherwise, you won't get your Handicap sent to you. Also, let me know if you make a mistake in posting scores in GHIN as I can fix those. Questions about handicaps?? If you have them, please let me know so I can get you an answer or write about it as others may have the same question. *Peggy*
