## NOTES FROM PRESIDENT

We're really getting into the "swing" of the season with starting the 3<sup>rd</sup> month. We have completed the first of our week-end out-of-town tournaments with a fun 2-days in Ponca City with extra points and penalties to make thing "interesting"! Those tree hits & bunker landings add up! It's a good thing we don't assess extra penalties for the Clapp creek – or should we as that would make a pretty interesting tally at the end of the year! And....I'd probably win!!

*Peggy*

## TURKEY CREEK TOURNAMENT RESULTS

It wasn't pretty and it wasn't much fun ..... But Ann and Nancy deserve a lot of credit for keeping us informed all the way up to the last minute about the condition of the course and the weather expectations. It saved us from making a trip that would not have ended in a golf game!

## TUESDAY 9 HOLE SPECIAL EVENT

Six groups of 3 golfers (3 morning and 3 evening) participated in the Bingo Bango Bongo Tournament!

The winners were:

A flight Jan Dent 10  
B flight Billie Woods 13  
C flight Cheryl Greiving 9\*  
D flight Janice Robbins 11

\* score card playoff with Linda Davidson

They each won a bottle of wine! Congratulations, Ladies!

**Handicap Information:  
Equitable Stroke Control (ESC)**

Equitable Stroke Control (ESC) is the downward adjustment of individual hole scores for handicap purposes in order to make a Handicap Index more representative of a player’s potential ability. ESC sets a maximum number that a player can post on any hole depending on the player’s Course Handicap. ESC is used only when a player’s actual or most likely score exceeds the player’s maximum number of strokes on any given hole. The table below shows the maximum number of strokes according to the player’s course handicap. ESC is applied to all scores including tournament scores.

Course Handicap	Max. Number on any Hole
9 or less	Double Bogey
10 through 19	7
20 through 29	8
30 through 39	9
40 or more	10
