### HIDDEN LAKES PLAYDAY

Some of us did find those "Hidden Lakes" but it was a beautiful day for golf, so, what if we did go home with fewer balls than we started with - isn't that what golf is all about? Melissa and Dottie did a good job continuing the Olympic theme. They had 2-person teams representing many countries of the world and it was nice to see the USA win a medal ... thanks to Terry and Sharon! And each team got to carry the flag of the country they represented.

*Golfin' Girls just want to have fun!!*
