## 2016 BWGL CHAMPIONSHIP

### THE CHAMPIONS

After a 2-day stroke play Championship Tournament played at LW Clapp Golf Course August 13<sup>th</sup> and 14<sup>th</sup>, **Vicki Little** was crowned **Low Net Champion** and **Pat Totten** was crowned **Club Champion**!! Both received BWGL Memberships for 2017, a bouquet of flowers, and the “torches” from the ‘passing of the torches’ via the parade of previous Champions! (I don’t know where the “Lite” came from!). It was a fun two days with a lot of friendly comradery and a lot of Olympic style events! Pat had a 2-day gross total of 164. Vicki’s total 2-day net score was 135! Very impressive for both ladies. Vicki and Nancy Knopp tied for runner up with gross totals of 177 each. Since Pat won’t be playing in the Orlando in October, Vicki and Nancy will represent BWGL.

And, it has to be said, the **Staff at Clapp** treated us like Royalty and helped us in ways too numerous to mention!! Thanks, Guys!!

*Notes from the President.....*

A hearty "Congratulations" to Pat Totten, Vicki Little, and Nancy Knopp for winning the 2016 titles of Club Champion, Low Net Club Champion, and Club Champion Runner-up. I think the Olympic themed tournament went well and hope our past winners enjoyed the "passing of the torch" to this year's winners. The two day Club Championship tournament in August kind of signals to me that the end of the golfing season is closing in. After all, we only have the week-end out-of-towner and 2 monthly tournaments left to play. Looking back, we've had some pretty good tournaments this year. Thank you to all those who planned them and to those who played in them. I may sound like a broken record at times, but I do encourage you to sign up and play in the tournaments if you haven't. We need you!! And....they're fun!!

*From the Handicap Chair.....*

I’ve finally updated myself to the world of having a smart phone! (I know, I’ve been behind the times of all you techies.) I have found that one of the best apps to have on that phone is the KWGA / GHIN app. That really makes posting your score a breeze. You can do it right after play. You don’t have to wait until you get home to your big fancy computer. You can do it in the club house, your car, at the place you stop for a bite to eat....wherever. Just do it right away before you forget. I’ve often heard that as an excuse for not posting scores and now there is a great fix for that as I know most of you do have a smart phone. Just go to the KWGA website and download the app. Okay? *Peggy K.*

Continuing Stupid Rules of Golf:

**STUPID GOLF RULE 20-3: PLACING AND REPLACING**

You’re on the putting green and you’ve just marked your ball properly with your big sparkly marker, and your opponent asks you to please span your marker to the left. Yes, you have the option to go ahead and putt, but you’d rather see the line of her putt first. So you use your putter head and carefully move the ball left.

Your opponent misses her putt and you step right up and drain yours.

But oops, you forgot to put the ball back on its original spot. You’ve lost the hole in match play, or, you’ve got a two-stroke penalty in stroke play and must re-do your putt, all because *you’ve done something your opponent asked you to do*.

A better idea: The player who asked you to move your marker and does not remind you to replace it loses the hole or incurs the penalty.
