

AT L W CLAPP, April 27
The McAdams Men's group and the BWGL Ladies,
teamed up for what is possibly our final gala in
appreciation to L.W. Clapp Golf Course.

Nancy, Cindy and Nonya did a great job of putting together a fun tournament with breakfast goodies included. Nancy and Cindy have really worked hard trying to help save L W Clapp Golf Course, and in the process they met several of the McAdams Men's Golf Team (who have played together for 89 years!). So, between them, they decided that it would be a fitting tribute and FUN to play a tournament together. They were right! It was a good turnout with 21 ladies and 7 men! There were 7 teams consisting of 3 ladies and a man on each team and the format was lowest total net score wins! The teams were even named. We had the Casino Bosses, Gamblers, Wise Guys, Baby Faces, Mobsters, Moonshiners, and the Flappers! Dollar sacks were available to bet on several holes for closest to the pin and longest putts. Everyone was a winner but those receiving money were:

1st Place: Becky, Amy,
Gary, Nonya

2nd Place: Al, Jennifer,
Nadine, Melissa

3rd Place: Max (NA), Barb A,
Sherri, Barb W

Low net winners: (Men) Al -70, (Ladies) Cindy - 65

Closest to pin: Cindy, Becky, Margo

Longest Putts- Cheryl, Nancy

And a fun time was had by all...
