Featuring the RED CUP BRIGRADE

With many \$\$\$\$ to be won

Hostesses: Echo & Lana

Echo and Lana did a mighty fine job hosting this tournament that had probably the biggest turn out that we've had for quite some time. Twenty-seven ladies signed up but one person had to drop out, leaving us with *only* twenty six... ALAS!! (Hope you are feeling much better, Debbie). Actually, the restaurant in Cheney where we had planned to eat was not quite prepared for our "big" group!! Imagine that!! The "red cups" were kinda' the highlight of the day. Dollar bills were put in the cups that were labeled for Chip-ins, 4 par 3's (on the green), and guess your score. If you won one of those specials, you got all the dollar bills that were in that cup (or shared them, if there were ties)!! I do believe that Becky B was the only "chip in" so she got all the dollars in that cup! Don't know if she got to keep the cup or not, though. All in all, a great day!! Thanks, Echo and Lana!!
