

SIM TOURNAMENT

WOW!! What a great beginning for our tournaments!
Theme: **TOGETHER AGAIN!!**

25 ladies participated! We had 5 Teams of 5 and we kept it moving! A big thanks to Sim Pro Cody who allowed us to squeeze in a 5th group! Becke and Lana were the organizers for this one and they did a fantastic job ... even to the point of incorporating coronavirus mandates. For example: Each team was given a 6 foot long yellow rope (distance socializing) and if any golfer on the team came within 6 feet of the pin on their approach shot, they got to take a one putt for their team score! Then the winning team won face masks (droplet protection). It was a good tournament and it was great fun to be **TOGETHER AGAIN!!** For a listing and pictures of all the winners, click www.bwgladysgolfwichita.com and go to "2020 events".

CITY MATCH PLAY- PRO-AM TOURNAMENT

City Match Play took place during the week of June 29. **BWGL's Pro-Am team comprised of Nancy Knopp, Cindy Renard, Vicki Smith and Ann Wagner with Pro Keith Gunter tied for 2nd** with three other teams having a net 58. Two teams tied for 1st place with a 57.

Also, congratulations to **Cindy Renard and Carol Shelton** who represented BWGL in the match play tournament as well as **Melissa Rodriguez, Tammy Blunt, Sharon Emrich and Pat Totten** representing their home courses in the event. **Pat Totten** was in top contention for 3 days!! The other ladies said they enjoyed their days and learned a lot about match play. Everyone played 2 days and most had to play almost 18 holes before the winners could be determined. Thanks to Vicki Smith, Nancy Knopp and Jan Schraeder and the other individual players for info on this event.

CITY TEAM PLAY

Team play is under way effective June 15. The three May matches have been/will be rescheduled. BWGL is currently tied for 4th in gross points and 2nd in net but before you cheer too loud, know that we have participated in one more match than most other leagues. Thanks to all the ladies who have played thus far and I encourage others who may be called upon to join in the fun! As a reminder, the schedule can be found on the wawga.org website. *Vicki Smith,*

JUST SAYING

"Golf is a compromise between what your ego wants you to do, what experience tells you to do, and what your nerves will let you do."

So says Bruce Crampton, Pro Golfer

From the Handicap Chair.....

Saturday, June 27th, was the first tournament for BWGL this year. Additionally, it was our first tournament under the new GHIN changes for posting your adjusted score since I am not posting tournament scores as I have done in the past. So, my question is, did you post your score in GHIN after the tournament? If you did, great!! If you didn't, well then, snap to it and get it posted..... now!! It is only fair to you and the other golfers to be posting scores and having an accurate handicap. When you don't post after each round, your handicap is not accurate. I may not be "big brother", but as the Handicap Chair, I will randomly check to see that scores are being posted. It's my "job"!

I'm hearing you are liking the new way of posting and doing it hole-by-hole so you don't have to make the adjustments. That's great! But remember, if you have questions about posting, be sure you let me know.

Nancy shared the above flyer which she received at the City Championship Tournament. It is promoting a fund raiser for women for The First Tee.

19 BWGL ladies had a lovely day to golf on June 9, for most 2 putts. 8 ladies golfed in the morning, and 11 in the evening. Wind was 30 to 40 MPH by the time the evening group finished, so we had to hang on to our hats, and play strong.
