PRESIDENT'S MESSAGE

It's June already, and our season is well under way. Our first Out-of-Town for the season is coming up, and it promises to be a fun getaway. If you've never come on one of these before, please give it a try. They're a lot of fun and it's a great way to get better acquainted with other members and play a new golf course or return to an old favorite. And this golf course, Lake Shawnee in Topeka, is one of my favorites.

Kudos to Melissa and her committee for an outstanding job on the Pro-Am and City Championship Tournament! I heard nothing but great compliments from all the participants. The Pro-Am was especially fun for me, as our team played quite well. This four day event is a big job but it's no surprise that our BWGL members stepped up and put together a well-organized tournament with lots of fun prizes. Great job, ladies!

Cheryl

WHERE DO YOU STAND?

According to data from the National Golf Foundation, **only 26 percent** of all golfers shoot below 90 consistently on regulation 18-hole courses; **45 percent** of all golfers average more than 100 strokes per round.

In determining where you stand among amateur **golfers** in general, it helps to know what the **average handicap** is for both men and **women**. The **average male golfer** has a **handicap** of 16.1, while the **average female** has a **handicap** of 28.9.

Suppose that **your** ten scores average out at exactly **100**. In other words, for **your** first ten rounds of **golf**, **you** hit 1,000 shots.

If par for the 18-hole course **you** played is 72, **your** average score is 28 over par. That figure, 28, is **your handicap**.

Now do you feel better about your game?

JUST SAYING: Melissa deserves a **GREAT BIG THANK YOU** from all Of us for the outstanding job she did managing the City Match Play and Pro Am Tournaments!!!
A JOB WELL DONE!

Well Ladies, **WE DID IT!!!**

Our “Swing with Bling” City Pro-Am and Match Play Championship Tournament was a great success! It was a lot of work but our girls came through. My sincerest thanks goes to my committee members, **Becke Parks, Becky Beddow, Peggy King, Nadine Roberts, Jan Yaeger, and Vicki Shue**. Each one had a special Job that needed doing and they did it brilliantly along with many other spur of the moment things. Becke Parks was like my right hand woman always thinking of solutions to various situations and keeping us on track. She also did a great job decorating the breakfast table with our “Bling” theme. All helped where ever needed and kept things running smoothly.

A big thanks is also in order for our volunteers, **Barb Wright, Lanie Campbell, Cheryl Greiving, Jan Schraeder, Iola Corbin, Iola Corbin’s Grand daughter, Ashley, Vicki Smith & Nonya Horning**. They were real troopers doing everything from check in, photos, food, bling station, spotting balls, picking up golfers and their bags in the parking lot, and getting groups off the first tee.

We blinged hats and collars, put jewels on cheeks and noses and generally had a great time with the players. We were even able to enlist the help of **Dale Beddow** - thanks to Becky B., and **Joe Rodriguez** - thanks to me, to help spot balls. Thanks guys! Dale also ran the chipping contest on Tuesday, while our girls ran the putting contest. I believe we wore those guys out! I also want to thank those who donated food and those who donated their time getting sponsors. There were 21 gifts donated and 5 cash gifts that helped make it possible to have a great event.

This does not even start to touch what everyone did to make this great event a success. Again thanks to everyone involved, including the **MacDonald Pro’s and staff!!**

The Winners of the Pro Am and Match Play Championship will all be listed with photos on the WAWGA web site at www.wawga.org Log on and take a look
