

# BWGL NEWS - JULY - 2021

## WIND SURGE OUTING

THANK YOU, ANN for organizing this funtastick evening at the new baseball stadium. I believe you said there were 32 in our group, which included BWGL members along with invited friends and family members! We had great seats and got to see the new stadium, which is a feather in Wichita's cap! There was one big problem with the seating that should never have happened (a Wind Surge staff problem NOT our organizer's). Then there was the rain delay that was out of the control of the staff and our organizer ... so even though most of us did not stay till almost midnight to see the ending, I still heard many good comments about our outing and about the ball club itself. I think we may have increased the fan base for the Wind Surge!!! As well as maybe having more non-golfing activities for our membership! JOB WELL DONE, ANN!!

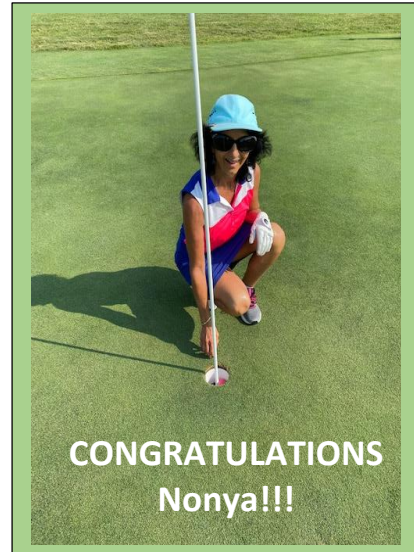

*From the Handicap Chair.....*

Your Handicap Chair is on vacation, but will return! In the meantime, just remember to keep posting your scores. Posting them the day you play is important for 2 reasons. One, you don't forget to do it; and two, it keeps your handicap up to date.

**SAND CREEK STATION**

Well, we finally made it to Sand Creek after a couple of "glitches" in our dates.... And the weather!! But, Thanks to our Tournament Chair (Lana) and our hostesses for this event (Cheryl and Jan Y) everything turned out quite well! They handled the "glitches" like Pro's!!! Even though we only got to play 9 holes, the Manager gave all of us rain checks for 18 holes and sincerely invited us to come back!! Pictures and tournament results will be on the Web Page shortly.

**TEAM PLAY**

Since the June newsletter, BWGL has played against two very formidable clubs. On July 9, BWGL was host to Crestview then on July 16, Reflection Ridge hosted BWGL. While we are not in contention on gross points, BWGL is in very good standing on net points; all club points through July 9 can be found on the [WAWGA website](#) BWGL is scheduled to play Willowbend on July 23, Terradyne on July 30 and round up the season with Wichita Country Club on August 6. Keep up the good play ladies!
