# Social News

Greetings BWGL Members,

Sherri and I are busy planning some fun social events for you this year.

\*First off, in late May or early June we are planning an indoor/outdoor social at the Tallgrass clubhouse on a Thursday evening from 4 to 8 or 9 p.m. There will be indoor and outdoor games plus pizza, salad and dessert. Those who are working can come after work and still enjoy the festivities. I may be asking for some volunteers for dessert or help with the games.

\*Later in the summer we are looking at a Wind Surge Baseball outing for you and family or friends. An evening game is anticipated. We will be checking into what games our Ballpark officials feel would be the most exciting and checking with you on some good dates.

\*Roxy's Golden Girls performances start Nov. 1 through Dec. 29, 2024 this year. We will be checking on dates that will work for you as the time gets closer. This is a busy time of year, so we'll be getting with you early enough to plan around holiday events.

\*Our last event would be Topgolf in Feb or March before the 2025 golf season starts. More on this later in the year.

We are looking forward to a fun filled season on and off the course.

# Notes From the Rules Chair

by

**Nancy Knopp**

I would like to encourage everyone to download The USGA Rules of Golf App. This is a FREE app and is much easier to carry in when golfing than the actual book of rules. It's also easier to navigate and faster to find what you're looking for than in the book.

April:

1 - Ball Moved During Search: If you move any player's ball (even your own) while searching for it there is no penalty, just replace the ball.

2 - Ball Moved on Putting Green:

- If you accidentally move any player's ball (even your own) on the putting green, there is no penalty, just replace the ball.
- Once you have lifted and replaced your ball on the putting green, your ball owns that spot. If it then moves, you will always replace your ball no matter what caused the movement, including wind or gravity.

3 - Repairing Damage on the Putting Green: You can repair almost any damage on the putting green, including: Spike marks, animal damage, any damage from a person or a ball.

4 - Touching Line of Play: You are allowed to touch your line of play for any reason (including on the putting green).

5 - Flagstick: If your ball hits an unattended flagstick in the hole, there is no penalty.
