

***ALL ABOARD FOR THE SAND CREEK EXPRESS***

Twenty-one ladies came to play 18 holes of great golf ... however ... due to weather conditions, we only got to play 9 holes!! But it was still a fun day, thanks to our hostesses! They did a fantastic job rearranging everything (except the weather) so we could get 9 holes in and still maintain most of the original format. And kudo's to the ladies who ended up going back out on the course IN THE RAIN to complete 9 holes!

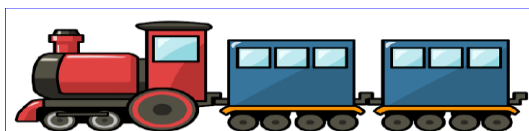

One of the prizes was for the most total points earned for 1-putts, pars, drives in the fairway, birdies and gobbles! After all totals were added, you had to draw for a blind partner to determine the winner with most total points!

**Hostesses: Jan and Cheryl**
