From the Handicap Chair.....

I have nothing to report on Handicaps this month. However, I would like to take my allotted space to say “Thank you” for your many cards and expressions of condolence in the recent loss of my brother. That has meant so much to me.

Even when golfing, take time to enjoy the beauty of nature!

PRESIDENT’S CORNER:

It’s hard to believe it’s time for the Club Championship already. I feel like we’ve only just begun this season! It’s was wonderful to see the great turnout we had for both tournaments we’ve had so far, and I’m hoping the Championship follows in the same vein. A quick reminder that Tuesday morning play differs from Tuesday evening play in the way we pair up. In the mornings, you check in with the group and get paired up, with the first group teeing off at 8:30 a.m., whereas in the evening, everyone pairs themselves up with whoever is available at the time you’re ready to go, starting at 5:00 p.m. If you play outside the group format, your scores may not count toward league play.

Because we had to cancel some tournaments, it’s not surprising that we’ve ended up with about \$250.00 extra cash in our account from what we budgeted. I’ve already had a few suggestions on how we might use the extra funds. They are:

- More cash for the year-end prizes
- Nicer table favors for the year-end banquet
- A refund to each member
- Donating the funds to a charity

Please give it some thought and forward any other ideas to me at cheryl.greiving@gmail.com. Within the next couple of months we will put the suggestions to a vote of the entire membership (probably by email).

NOMINATING COMMITTEE REQUESTS

It hardly seems possible that we are having to think about the 2021 season already But we are!! And we want to be ready, SO:

The Nominating Committee may come calling asking you to volunteer for a position. Please consider saying “yes” if it’s at all possible. And remember, for whatever position you may be asked to fill, you can always ask for assistance! I’ve found that our members are fabulous at stepping up to help, if asked.

QUAIL RIDGE TOURNAMENT – JULY 11

Tournament Chairs: Nadine & Vicki

22 Ladies!! Great turnout!! And a special welcome to Sandy Ebart, (One of our new members who, I hope enjoyed, her first tournament with us!! Even with the weather delays, having to wear masks (inside the clubhouse), and a little bit of confusion getting the final tallies figured... everyone still seemed to enjoy the day. And why not? It was golf ... with friends!!! And dinner afterwards at Shindigs to cap it all off!

The Tournament Chairs were a little bit disappointed that no one got a “birdie” that day. With the theme being “Red, White and Birdie”, they had made up (6) special prizes so that no one who got a birdie that day would be left out! But, lo and behold! There were no “birdies” to be had! So, they did the next best thing and had a drawing for those 6 prizes!! Congrats to all those winners!! And congrats to all the tournament winners!!

Please Visit www.bwgladysgolfwichita.com and click on “2020 events” to see who the winners were and who the eaters were (at Shindigs)!

Oh! One last thing! Ladies, please remind me to be sure the ladies are FACING the sun when their winning pictures are taken!!

BWGL MEMBERSHIPS

Per Vicki Little, Treasurer, the final roster shows that we have 45 total members which includes 38 paying their GHIN through BWGL and 5 new and /or returning members.

JULY’S WEEKLY WINNERS
