

BWGL April Newsletter

April showers are supposed to bring May flowers!! Let's hope it really happens because we have sure had more than our share of those

Well, another season is upon us and, as always, we all want to make this our best season ever. So I found a few "reminder tips" that just might help us do that....

TIPS FROM THE PRO'S

Even though we just play for the fun of it, we all really do want to play well...or better. So I gleaned a few tips from various sources that may or may not help your game. You decide.

- Practice, Practice, Practice
- Turn your body to chip it close and keep everything moving together on greenside shots
- For power and accuracy, lead with your lower body. Your left hip and foot should start the downswing,
- Strike your irons solid: one way is to key on your knee. That is push your right knee toward your left knee to make a proper forward shift.
- On putting: don't flip the wrist and keep the head still.
- Know how far you can hit your various clubs, then choose the right club.

And when all this fails, go see your Pro. He can help you more than any so-called tip. But, most important of all: Relax and enjoy the game. Tomorrow is another day and another game!!!

BWGL PLAYERS IN THE WAWGA PRO-AM TOURNAMENT

The first-ever WAWGA PRO-AM tournament was held at Hidden Lakes on July 25. Vicki Smith and Vicki Little teamed up with a couple of ladies and a Pro from another club. Their team won 5th place with a score of 58. Congratulations, Ladies!

Nancy Knopp, Ann Wagner, and Echo Tung teamed up with Keith Gunther and even though they did not place in the tournament, they enjoyed playing in this inaugural event.

MANAGEMENT IN A SAND BUNKER

If you don't want to or decide you can't play your ball as it lies when your ball is in a bunker, **you** may decide it is unplayable. If you do this, you have four options available to you. There are three one penalty stroke relief options.

(1) You may play a ball from the spot of your previous stroke (if this spot was out of the bunker, this option gets you out of the bunker; but if your last stroke was from in the bunker, you must stay in the bunker) (see Rule 19.2a).

(2) You may take back-on-the-line relief **inside the bunker** (see Rule 19.2b).

(3) You may drop in the bunker within two club-lengths of where your ball lies but not nearer to the hole (see Rule 19.2c).

(4) Your fourth relief option comes with two penalty strokes – **you may get out of the bunker** using the back-on-the-line relief option (see Rule 19.3b).

These Golfing Ladies are also Bowling Stars, and they just bowled their way to 1st Place in the Freeloaders League at the Alley!! **DONA BERNHART, JUDY CYPHERS, JAN YAEGER AND DEBBIE MANSON.**

BWGL DIRECTORIES
(Good news from Debbie)

All of the BWGL directories are done and ready! Debbie put them by our score card box in the locker room yesterday. They each have a label with each member's name. There are also updated fliers available.
