As already noted these ladies are the **“Wind Beneath Our Wings”!!** And, as already said, there are a lot of things we can do to help them do their jobs! Some of this may be repetitious ...but.... For instance:

Weekly prizes and Annual Awards will be a lot easier to figure and perhaps more accurate if everyone keeps their scorecards readable, counts n records the pars, putts, birdies, etc. along with the weekly prize info.

Handicapping! As Peggy has mentioned a few times, scores need to be recorded as soon after play as possibleand, I, for one, am REALLY going to try to do that routinely this year.

Tournaments is just one of the highlights of our season and Lana has some very interesting venues scheduled for us again this year! I don't know if she has “hostesses” scheduled for all of them or not, but, if she does not, “hostessing” a tournament is a lot of fun and help to the Chairperson. You might think about doing it.

Team Play! This is Vicki's first time as Team Play Captain so please be responsive to her requests for players. If she calls on you and you happen to be a “high Handicapper”, just remember, you are the best one available *at that time*. No doubt, Vicki will do a fantastic job. But, still ... Kudo's to Barb Wright, an old hand at “Team Play Captaining” for agreeing to be her back-up! It goes without saying, we have a great group of ladies who are always willing to pitch in and help when needed.

Rules and Arbitration. If you need a rule explained or come across a situation where it appears that we may not be “in sync” with, just let Nancy know. She will get the right answers and keep us informed.

Social. We have seen Ann in action with our socials and she is doing a fantastic job. However, she has said that she will welcome any suggestions you may have for (almost) any social activity you suggest!

Communications & Website. I am always open to new ideas for the newsletter and/or the Website, so please do not hesitate to give me any feedback. Also, if you have shareable information for our Cares and Concerns news, please let me know!!

GOLFING LADIES BOWLING LEAGUE WINNERS

Echo, Vicki, Nadine and Cheryl

It was a close one ... but we **DID IT!** Echo also won the **Most Improved** bowler award!

Just an FYI: The Golfing Ladies Bowling League includes golfers from most of the Golf Clubs in Wichita. It is a short League at Northrock that runs from November through the first of March and helps fill the space between golf seasons. Several BWGL ladies participate in it. If you are interested in joining contact any of us or Northrock round about October.

THE GOOD AND THE BAD

Construction work is scheduled to begin in April on several holes. Just think about next year and that will be good! Hit your ball into the construction sites and that will be bad! Keep a lot of extra balls in your bag and that will be good! If you win a lot of RUBY RED balls, that will be good! Lose them in the construction sites and that will be bad!!

Just play your game and have fun!!

**WISHING each of you
a great GOLFING
Season and a LOT OF
Ruby red BALLS!!!**
