From the President

Hi Ladies,

In spite of our efforts and the efforts of the community surrounding L.W. Clapp Golf Course, the Park Board voted to close our home course on Sept. 30, 2018. The final step will be for the City Council to vote on the Park Board's decision.

Going forward, as BWGL members, we have some tough decisions to make. We will need a committee to review the remaining courses and find which one best suits our needs, keeping in mind the need for support on City events where two ladies organizations might exist. If you would like to be a part of this committee, please contact me as I will be putting the committee together as soon as possible.

BWGL has existed for over 30 years and I know we can rise to the occasion. We are strong independent women who know how to solve problems and find solutions. **The LINKS may change but BWGL will continue moving forward.**

Melissa Rodriguez

A SPECIAL TRIBUTE

I cannot let this newsletter "go to press" without recognizing the hard work, dedication, perseverance, and genuine *caring* of **Cindy Renard's** efforts in trying to save LW Clapp. She rallied the troops and led the way with special meetings, news blasts, and forward thinking and planning. But, alas! It was not to be. It appears the Park Board had its mind made up long before we got wind of the situation.

I also want to recognize the ladies who attended the meetings, many of whom spoke very eloquently and knowledgeably. That group included **Cheryl, Vicki Little, Melissa, Nadine, Jan Yaeger (whose husband, Bill, spoke), Peggy, Margo, Jan S, Vicki Shue and Pat.** I hope I have not overlooked anyone. If I have, I apologize. Nancy was also very involved until the untimely passing of her father took her presence and attendance in another direction.

Anyway, as Melissa stated, we are strong independent women and we will survive!!

From the Handicap Chair.....

Just a reminder that the Club Championship Tournament is August 18-19 and everyone is encouraged to play in it as each day is played as a separate "Tournament". However, to be eligible for the title of either the Club Champion or Low Net Club Champion (which is based on the 2 days scores), you must have played in a minimum of 6 BWGL events **prior** to the Club Championship Tournament. BWGL events include Play Days, Monthly Tournaments, and Team Play. Therefore, if you haven't played at least 6 times with BWGL, you have time to get some more play in before the tournament. Nonya Horning and I are in charge of the tournament and we hope to see you there!

*Nonya Horning***RIGHT OR WRONG?**

During the Ladies Club Championship Tournament, the eventual Champion was tapping in a putt. The ball hit the cup, bounced back, hit her putter and fell into the hole. The consensus was a total of two strokes, with the ball in the hole. Right or wrong call??

Answer: right call. She holed the ball but under Rule 19-2 she incurred a penalty stroke for the accidental deflection.
