

BWGL AUGUST NEWSLETTER 2022

T42 PARTICIPANTS

Nancy and Jennifer won low gross in 3rd flight in the T42 at Salina CC. They were dead last after the first day and then they buckled down and did considerably better after that! CONGRATULATIONS, LADIES!! You've got what it takes!!

A WORD TO THE WISE!!

Cheryl had a little mud trouble at Mac Tuesday so she is giving just a word to the wise!! "Just because the pond on #12 looks dry, don't be fooled"!! She sunk into the mud up to her knees and says it was a real trick trying to get out of it!!!

TEAM PLAY UPDATE

As a reminder, not all teams play on all Fridays, so scores are trickling in. Using average scores, BWGL Team play continues to hold onto 5th place in gross, behind Crestview Country Club, Reflection Ridge, Wichita Country Club and Willowbend. As for the net, we are neck and neck with Tallgrass for first place...but a lot can change with 3 remaining matches to be played. Our match with Wichita Country Club has been rescheduled from Aug 19 to September 30 due to worm damage to their greens. Thanks to all who have contributed to date!

From the Handicap Chair.....

As many of you know, I haven't been golfing much the last few years and I have really missed being out there with you. This year, I am trying to get back into playing again. I have lost a lot of ground, but after taking a lot of lessons, I am really trying and sometimes I do "haul off and hit it"! (Right, Becky B?) It is so nice to be out playing again with you so please be patient with me.

I do want you to know how impressed I am as many of you seem to be really hitting that ball very impressively! I know many of you have really been lowering your handicaps and now I know why. It will be interesting to see who wins the annual award for "most improved handicap" this year, but I do know that it will be very close.

Peggy

Just a note of thanks to Melissa for the beautiful butterfly ball cap clips/markers that she gave to the ladies who went to Tulsa! Just one more way to remember a fun weekend of golf!!
