

NOT "END-OF-SEASON" BWGL TOURNAMENT

**Tournament Planners
Nancy and Cindy**

It just seems like this season has been filled with disclaimers because of the C-Virus and having to make adjustments to our schedules, our tournaments, and just simply to our BWGL "way of golf"! A lot of credit goes to all our tournament planners and most especially to our Tournament Chair, Jan Yaeger, for just being able to make it happen!! We had to forgo our annual end of year pot luck but we still had a good turnout and the "planners" did a very innovative Team contest, in addition to our usual gross and net competitions and other special activities!!

Since two teams tied for first place in the Team Contest the 1st and 2nd place prize money was divided equally between the two teams! And the winners were:

**One team consisted of Dottie, Barb W, Nancy and (absent from Picture) Lana.
The other team was Nadine, Carol, Cindy and Tina!**
