SAVE THE DATE

BWGL CLASSIC (Wichita and Carey Park)

These ladies participated with the Carey Park BWGL ladies in a fun scramble at Carey Park. All teams had at least one Wichita player on it and guess which team won 1st place....you are right if you guessed the one that Nancy and Cindy were on! The CP Ladies provided some very nice guest gifts for all of us and every team won a prize!! They also provided a very nice lunch for all of us!! All in all, it was a fun day!

If you are unsure if you want one of the new BWGL shirts just take a look at "Model Margo" and you can decide pretty quickly. They also are available (at a little extra cost) with sleeves and the BWGL logo.

BWGL MEMORABILIA

If you have any BWGL memorabilia, Ann would like to borrow it for a display at the year-end banquet. She will be happy to pick it up from you and see that you get it back. Also if anyone still has any of the pictures that were displayed last year, she would like to borrow them!

From the Handicap Chair.....

Our league's season is soon to come to an end for 2022. Soon after the last rounds are played, we have that all important "year-end" dinner when the coveted awards are given. As I told you in the last issue of the Newsletter, the "most improved handicap" is close. With the change to the handicap system and your handicaps being updated after each time you post a score, it is not possible to post the most current BWGL Handicap List at the clubhouse as I used to do when it was revised every 2 weeks. However, since the year end is in sight, I thought I would include the current Handicap List for MacDonald GC (as of 9-29-2022) with this Newsletter.

As always, if you have handicap questions, let me know.

Peggy

Eighteen BWGL ladies golfed 9/27/22 on the front nine for Most Pars. We had 15 golf in the morning, and 3 in the evening. We have had to increase to 4 morning tee times because we are averaging 16 or more morning golfers.
