CHAMPIONSHIP TOURNAMENT

Hostesses, Jan and Peggy, picked two beautiful August days for our Championship Tournament and 20 ladies signed up for the first day! A very nice turnout. But, alas, that number dropped to 14 for the second day. Jan and Peggy, being all-around good hostesses, managed the tournament so everyone became a winner on Sunday! We had breakfast goodies the first day, burgers for lunch the second day. Peggy even baked a Congratulatory Cake to celebrate the winners on Sunday.

MacDonald, as always, was very challenging. I saw and heard several lamenting the rough, others the sand and the water ... and we must not forget the snake.

Tammy was looking for her ball and saw this "huge" snake in the grass! Needless to say, Tammy's screaming unnerved some of the other players! Her reaction on the course instigated some teasing back in the Clubhouse. But her demonstration shows how close that snake came to "licking her toes"!! Not good since she is scared to death of snakes! Sandals and Snakes? OOPS!!

TEAM PLAY – FINAL RESULTS

We finished 9TH place in gross and 4TH place in net. Thank you to all the people that played. We did have a good time.

Barb

A big "Thanks" to Barb for accepting the job of being BWGL's Team Captain! This is a time consuming job that requires attention almost every week of the season and she has done what needed to be done without even as much as a grumble! Thank You, Barb

From the Handicap Chair.....

You've gone around 2 times on a 9-hole course that is only rated for 9 holes. You enter your 2 scores and you expect that they will combine in GHIN and be entered as 18 holes. Well, that didn't happen and you are wondering why. Here's the answer: If there is a 9-hole score waiting in the system to be combined, it will combine with whatever is entered next as a 9-hole score as it takes precedence and will combine with whatever is entered next as a 9-hole score. That 2nd 9-hole score entered will then be "waiting in the wings" to combine with the next available 9-hole score.

THINGS TO LOOK FORWARD TO:

Well, this is September already ... The golfing season sure does go by FAST!!! But, in addition to our regular play days, we still have some fun events to look forward to:

- ROMAN NOSE will soon be upon us and I know several ladies are really looking forward to conquering that course.
- Many of our ladies are excited to be having a friendly, but competitive experience, with the Business Women of Carey Park in Hutchinson the 21st of September.
- Also, we have our End of Year Tournament and Potluck coming up on October 5th ... Always a fun get together!
- Then on October 29th, we'll have our Year End Dinner and Awards at Larkspur! Be sure you have that date on your calendar.
- And several ladies have expressed a desire to have some mid-winter activities With that in mind, a "dot painting" event, similar to the "Paint the Town" event we had a couple of years ago is tentatively being considered for some time in November ... so keep that in mind, also,

Just because it's not golf season, it doesn't mean we can't still get together for some fun activities!!

Melissa has some "bling bags" for sale that were left over from the City Tournament. Contact her if you are interested!!
