Other new members, who were not at the get together include Terri Wittrig, Marla Lindenmeyer and Kathy Stuhlsatz. Kathy is another returning member from a few years back. WELCOME ALL!!

ORGANIZATIONAL MEETING

The Org Meeting was very well attended with over 30 regular members and five new or returning members in attendance. A lot of business was conducted, decisions made, friendships renewed and food and drink was plentiful!

Thank you, Ann for once again making great arrangements for us!!

And, thanks to our President for keeping us timely and on track as we covered a lot of information needed to keep BWGL up to par!

Cindy has fully covered all the details and decisions in the minutes, which have already been distributed to the members.

And you can also find our tournament and team play schedules, the By Laws and other pertinent information on the website:

Just open the hyperlink and you are there.

40 YEARS WITH BWGL

This is BWGL's 40th year in production!!! And the symbol for 40 years is the Red Ruby!!! And, guess what... Debbie and Tammy managed to secure an abundance of Ruby Red Golf Balls with our LOGO on them to be used throughout the year as prizes in many different facets of golf.

Nonya and Carol are anxious and ready to help get the ball rolling!!!

TERRY CHESNUT MEMORIAL

The committee of Margo, Becke and Pat in collaboration with Chuck (Terry's son) are still exploring opportunities and possibilities for the exact and appropriate memorial to be established for Terry. A memorial tree, bench or plaque are all under consideration however anything established at the course has to be approved by the city. I'm sure that with this committee, it will be happening sooner than later! Stay tuned.....

The Committee Chairs this year are:

Annual Awards: Carol Shelton

Communications/Website: Nadine Roberts

Handicap: Peggy King

Rules & Arbitration: Nancy Knopp

Social: Ann Wagner

Team Play: Vicki Little

Tournaments: Lana Lyda

Weekly Awards: Nonya Horning

These ladies are the wind beneath our wings! Without them our club could not be what it is or do what it does! And from time to time, they may be asking for some assistance ... your help is always greatly appreciated.

Some of the area that could use your assistance include:

Weekly and Annual Awards: Carol and Nonya do a fantastic job keeping track of the award winners and documenting them and we could help a lot just by keeping the score cards readable and recording on the score cards the # of putts, birdies, pars and special awards.

Myself, I always welcome input of winnings, and other happenings in venues besides ours. I appreciate the photos that have been sent my way also!

Peggy, no doubt, wants your scores posted almost before your game is completed so she can always keep us up to date on our handicaps.

Ann is looking for ideas for a summer happening,

Lana needs volunteers for running tournaments and

Vicki will be calling for Team Players soon.

So, please do what you can to keep the flow flowing!

A NIGHT AT THE SPAGHETTI FACTORY

Look at that smile!!!
And she says "no more pictures"! HA!
Thanks, Nancy!!
