Thanks to these 2017 Officers for a job “well done”! Also a big thanks to the Chairpersons for all the work they put into making 2017 a fun golf season.

As Newsletter Editor, I want to especially say thank you to those who provided reports and information regarding their respective positions. Through their reporting, I do believe that the membership was well informed of all our activities.

The Tournament Committee, put together by Peggy King, Tournament Chair, did an excellent job providing fun events and places to visit!

I’m sure everyone joins me in looking forward to another great season in 2018!!

## THE FINAL TOURNAMENT OF 2017

Our last event was, as usual, a pot luck and tournament. This time we “visited an Oktoberfest in Germany” and enjoyed some fantastic German cuisine provided by our BWGL Golfers. The weather tried to mess up our day early on and there was some concern about whether we could even play or not....but the “Golf Gods” intervened and we had some spectacular golfing weather to finish off our season.

Thanks to Cody and his staff, who let us have a shotgun start ... and play in three-somes ... we were able to finish in record time!!

## BWGL OFFICERS - 2018

### Welcome back:

**Vice President – Becke Parks**  
**President – Melissa Rodriguez**  
**Treasurer – Vicki Little**

**And a big welcome to the new member of this elite slate of officers - Cindy Renard!!**

Cindy has been an active golfer at LW Clapp for several years. She is also a member of the Golf Advisory Committee (GAC) for the Wichita Golf Division and (in her spare time) Cindy works part time at UPS.

### YEAR END MEETING, AWARDS AND DINNER

In keeping with our Destination Vacation Theme, we traveled “South of the Border to a Mexican Fiesta” known in Wichita as the River City Brewery. Dinner was served banquet-style replete with enchiladas, fajitas, and all the other trimmings of a true Mexican fiesta!

Our banquet gift was a very useful small sized clipboard that will come in very handy when you are a passenger in a golf cart and are expected to keep a 2<sup>nd</sup> scorecard (it is just the right size)!!

Following dinner we had some lively discussions in our meeting followed by the election of new officers and awarding of the coveted year end prizes.

#### A Few notes from the meeting:

\***Vicki reported** that our projected balance for next season will be \$353.45.

\***Nadine reported** that we have had 1866 hits on the website since she started counting them, with 210 since July and 62 this past month.

\***It was suggested** that the Championship winners be given medallions in lieu of bouquets.

\***Peggy reported** on course rating changes: 114 for red tees and 121 for the gold. It is your choice whether you play from the red or gold on play days.

\***Cheryl Greiving** is the new Treasurer for WAWGA.

\***The suggestion** to move to a different golf courses was over ruled.

\***Nancy reported** that KWGA and KGA has merged. KWGA is no longer an Association and will now be known as KGA. There will be much more news on the merger so – **KEEP TUNED IN!** It will affect us.
