END OF SEASON AWARDS DINNER

A big thanks to Ann for a great job as Social Chair. Not only did she arrange a good dinner for us at the Spaghetti Factory to begin the season, she also arranged a fun outing featuring the Wind Surge in the middle of the season...and the Wind Surge won their game the night we were there... Not sure Ann had anything to do with that but we'll give her credit for it anyway! Then last night she topped it all off with a delicious buffet for approximately 30 or so of us at Larkspur Bar and Bistro! It was a very good turnout and a very lively meeting! Lots of things discussed and lots of things decided and a few things left for another time! You will get all that information when Cindy gets the minutes distributed.

One big decision was that we will continue with the same officers since they all so graciously consented to serving another term. Don't know if the Nominating Committee had to twist any arms or not but in any event we are pleased and grateful to have them all leading us for another season!!

SEASON AWARD WINNERS

Wow! What a year it's been. We have a great group of women golfer's! It's been fun meeting all of our new people and getting reacquainted with the "old" (no pun intended)! Can you believe we are into November with Christmas right around the corner? We are lucky enough to have most of our committee chairs returning for next year, and what a great job they did! Yay!!! And thank you! Vicki Smith would like to turn the 18 hole team play over to someone else, so if you'd love to do this we would appreciate it! Ann is planning a winter social event, and would entertain suggestions, please let her know what idea's you have! Other than going to Scottsdale, (which I think would be great fun), what an out of townner that would be! Thank you all again for your loyal membership and participation in all the events! Looking forward to a fun 2022! Remember it's our 40th year next year!

Last but not least, Saturday November 13, 2021 is World Kindness Day! Please be kind and pick an angel off the Salvation Army tree and help a family out! See you at the Winter Social! Hit 'em straight!

Flight C Dottie Kaiser (29)

Thank you, Nonya for a job WELL DONE!!! Until we play again!!

TOURNAMENTS

I would like to thank everyone who stepped up and volunteered to run a BWGL tournament this past season. We had another great response this year and I've heard several members say this is one of the biggest reasons they join our league. I will be looking for volunteers next spring. If you have any suggestions for our out of town tournaments, please let me know ASAP so I can begin planning for next year!

FROM THE HANDICAP CHAIR

Continue to post through December 31st. The "off season" for our area is January and February. You will begin posting again March 1st, IF you have paid your GHIN fees dues prior to that. (Before that time, you should be receiving our BWGL membership form for 2022.) If you are traveling and golfing to sunnier areas of the country that will have an active season, you should post those scores. Just ask the golf course if it's an active season or just try to post. If it's an active season there, you should be able to post your score. Have a wonderful winter and Holiday Season.

Peggy

Just a few thoughts: It's been a great season in spite of a few "bumps n bruises" along the way, but BWGL golfers are real "golfing trouperers" and I'm sure everyone is looking forward to next season the same as I am. Maybe we can get a few more recruits (like the great ones who joined us this year) and we can build our membership back up to what it used to be!!! Well that might be a pipe dream....but I can remember when we used to consistently have over a hundred members!!! And I do believe Peggy King, our Handicap Chair, is the longest remaining member!
