

### BWGL WINTER SOCIAL

We not only play golf ---- WE PAINT!! We had a group painting activity at a place called Paint the Towne. As a group we chose the Kansas wheat picture to paint. Everyone chose the daytime sunlight version except Nadine And Vicki, who chose the night time moonlight version! Interestingly we all received the same instructions from the same instructor and the same color palettes – BUT – no two pictures looked the same!!

Wow!  
We  
really  
look  
like  
artists

GOOD NIGHT TO ALL – WE HAD A GREAT TIME!!
