

# Lake Shawnee June 29 / 30

Thanks to Jan and Cheryl for arranging this golfing weekend! It was rather warm Saturday afternoon but most were armed with some sort of cooling paraphernalia!! And we got to start a little earlier than scheduled! However the heat did get to a couple of the ladies who had to drop out. But we all recuperated very well with the Happy Hour at the hotel and a good dinner at the Blue Goose. By morning we were ready to go again!! We did however recognize that it might get hot again so we decided to play from the gold tees on Sunday.... And most of us were still pretty well challenged!!! The golf, the comradery, the fun and the challenges made it all worthwhile!

## SECOND DAY

Well, it was cooler playing in the morning, but playing from the shorter yardage did not help me and maybe not a few others either!
