From the President....

Hi fellow golfers,

The golf season's end is fast approaching. 15 of us were off to Dodge City and played a fun round of golf at the Dodge City Country Club followed by a great meal at Central Station. Sunday was raining so we headed back to Wichita with a stopover in Cheney to play Cherry Oaks for our second day of play instead of just going home. What a great idea Cheryl and Company!

We even saved a little money, so refunds will be in order. I feel for you Vickie Little aka "Treasurer". Scoring has been a problem for me this year but I will continue to hope for better play to come. However, this weekend, some great scores were posted at both courses. I had the honor of playing with a couple of those great scorers, Nancy and Jennifer.

As we get closer to the 3rd Tues. of October when our league play ends for the season, be thinking about attending our End of Year Tournament and Pot Luck. I am sure glad that Apple Cobbler could be misconstrued as Apple Strussel since Barb Wright is famous for her Apple Cobbler. We wouldn't want to miss that! Right Barb? Even if you can't come up with a German dish, bring a favorite of yours and join us. May the rest of your play days be full of sunshine and fun.

And as always,

See you on the links.

Melissa

From the Tournament Chair.....

So sorry I had to miss the trip to Dodge City. It sounds like those who went had a really good time! Even the rain out the 2nd day didn't create a dilemma.....they just moved on to another course closer to home! Are you ready for the season finale with a trip to "Germany" for Oktoberfest? Better get those entries in now! And don't forget that the season finale always has some of the best food to fill you up after that fun day on the golf course. What a way to end the year – but so soon?

Peggy K.

From the Handicap Chair.....

The KWGA course raters were busy on the course on September 18th doing the re-rating. I want to thank Nadine for being out there to host them as I was ill that morning and couldn't go. I did host them for lunch and found the conversation to be interesting. The results have now been tallied and are in! Our course rating was 67.3 / 111, and now is 67.2 / 114 – and that makes me a "happy camper"!! The new rating is effective now, so you will see that in GHIN. And that's the news from this reporter!!

Peggy K.

From the Team Play Chair.....

Recently I sent out some information from WAWGA regarding possible changes to the Team Play format for next year. Basically it was whether to continue with the current format or to return to the previous. Thanks to everyone who responded and offered their opinions/suggestions. There will be a meeting on October 12 to discuss the suggestions that have been offered and make a decision on which format to use. I will let you know the results after I get a report from the meeting.

BWGL IN OTHER TOURNAMENTS

Cheryl Grieving won low net in her flight in the WAWGA fall tournament at Terradyne!!

She shot a 101, and had a **net score of 69**. I hear that Ron is considering buying a trophy case for her golf ball. ☺

Headed for the Pro Circuit??

ORLANDO COMPETITION

Woody Austin, Paula Routon, Nancy Knopp, and Cody Lack made a "fantastic 4-some" at the Orlando! And, guess what! Paula and Woody won 1st place! Nancy was pleased with the way she and Cody played and both enjoyed their 4-some!! Denise Desilet and Pam Marlon and their pros from Reflection Ridge tied for 2nd. I'm not sure who Pat Totten's partner was but I'm sure they had fun, also!
