LW CLAPP STAFF

LW Clapp's Golf Pro, Mike Solomon, just accepted the Pro position at Auburn Hills, leaving his most able **Assistant Pro, Kent Purvis**, in charge of the Pro activities. After visiting with Kent, I am convinced we are in very capable hands. He is glad to have us and is just as anxious to please as Mike was! Kent has been at LW Clapp for the past year. Prior to that he worked as Assistant Pro at several of the city courses. He is a graduate of BCCC and WSU. Currently he is a PGA Apprentice, enrolled in Golf School and working towards getting his Class A so he can drop the "Assistant" status.
 Kent lives in Andale, is married and the father of three boys, ages 7, 8, and 10. His wife is an instructor in Physical Ed.

Kent has done, and is interested in doing, golf clinics. He also asks that if anyone has any ideas, concerns, complaints, etc, to please contact him.

I also visited with **Nick Hoheisal** while at Clapp. He described himself as a "peon" who works the desk, but I definitely believe he is much more than that! He has worked at Clapp for about 4 to 5 years, is currently enrolled at WSU and loves to play golf! Imagine that! He is also married and has two children.

I think we are going to enjoy working with these guys. ☺
